

Karneval der Kulturen 2019 – Back Once Again to be a Winner!

Dear Members and Friends of Sri Lanka !

The Sri Lanka Association Berlin will be performing once again, at the

"Karneval der Kulturen 2019" Berlin,

pageant with a "16-member Dance Troupe" from Sri Lanka, as well as our own "BerlinSri" Dance group along with a most colourful decorative carriage on the theme

"The Natural Environment was the core to our Cultural Identity"

and with an entourage of members out of our community, in traditional Sri Lankan attire, dancing and contesting to be the winners of the parade.

In view of the most sorrowful events that occurred during Easter Sunday, giving much thought towards a positive future outlook, we are determined that by no means, our agenda should be dictated by terrorists. We do not want to capitulate to terrorist or extremist outfits. It is now the time, after these brutal activities in order to polish the image of Sri Lanka, that one has to undertake all possible avenues to promote our tourism destination.

Therefore, this year we will be participating even greater than ever before, at the KdK 2019. Please join us in the carnival parade

on **Sunday, 9th June 2019 at 12.00 Hrs.**

beginning from **Yorkstrasse/Großbeerenstrasse junction**

in traditional Sri Lankan Dress (National Dresses, Saree, Sarong, Batik etc.)

We would be pleased to have your presence for a collective performance at the Parade !
